

The Insiders' Fossil Traditional Campaign

Terms & Conditions

The Insiders – October 2021

Participation in this campaign requires the following action by the Participant:

- Upon being shortlisted for the campaign, payment of a campaign deposit (see below)
- Completion of the end survey, which is mandatory

Payment

When candidates first subscribe to this campaign, no deposit is requested. Once the subscription period is closed, we will make a shortlist of the candidates we feel most suitably fit the required profile for the Fossil Traditional campaign. An email will then be sent to those shortlisted candidates on how to join the campaign.

This is standard practice for campaigns in which Insiders get a chance to try out exclusive and expensive products (in this case the Fossil Traditional watches)

Delivery of the Fossil Traditional by The Insiders

Shortlisted candidates with this option will be sent an email containing a link to The Insiders' payment screen, where they will be requested to pay a campaign deposit of 65% of the overall RRP. No deposit is required until this phase. The first shortlisted Insiders who successfully pay their deposit are then automatically selected for the campaign and will receive the Fossil Traditional at their home.

Campaign Actions

Insiders receive the product to trial for the campaign and write a product review. It is also important that participants complete the end survey. The survey will be made available online at the end of the campaign; participants will be advised of this by email. The end survey must be completed by the given dates.

Timing

The duration of the campaign is clearly stated on the website and via the blog posts. Insiders will be able to use the product during the campaign live phase (see infopage for details).

Registration

Participants can apply to take part in this campaign via The Insiders website. Only one account per household is permitted; in the event of misuse or false information, the prospective Insider is liable to be banned from the campaign without warning. To take part in The Insiders' Fossil Traditional campaign, prospective applicants must complete the list of questions truthfully and in full.

Debit / credit card details

For you to take part in this campaign, we require a deposit in case of loss, theft or damage to the product against a valid bank or credit card. When candidates first subscribe to this campaign, no deposit is requested. Once the subscription period is closed, we will make a shortlist of the candidates we feel most suitably fit the required profile for the Fossil campaign. An email will then be sent to those shortlisted candidates, containing a link to our payment screen where we will request them to pay a campaign deposit for the product. No deposit is required until this phase. The first shortlisted Insiders who successfully pay their deposit are then automatically selected for the campaign and will receive the product.

Returns and Exchanges

This is a non-returnable payment campaign - at the end of the campaign, you won't have the option to return the product back to The Insiders. If your device requires an exchange or repair at any point during the duration of the campaign, please notify the Insiders support team at infouk@theinsiders.eu to ensure expectations are set in regard to review timelines and campaign participation

Privacy

All details will be treated with the utmost confidentiality. Personal information about participants will only be passed to third parties with explicit permission. If you are not selected, we will remove all your debit / credit card details from the system immediately.

Selection

Participants will be selected for this campaign based on specific criteria agreed upon by Fossil and The Insiders. This selection will be made by The Insiders and is both binding and final. Failure to be selected will have no bearing on any subsequent applications for, or participation in, other campaigns run by The Insiders or its subsidiaries. This manner of selection has been deemed necessary, as the number of candidates is often far higher than the number of available places.

Looking after your Product

It is the participant's responsibility to keep their product clean and in good working order whilst it is in their possession. The participant should not, under any circumstances, sell - or attempt to sell - the product during the period of the campaign as they risk breaching the product returns policy outlined above.
