

Ready to discover, experience and write reviews?

Go!

1. Discover your product

Finally, your product is here! What can you do with it? Read all the product information on our website to find out. This way, you're sure to try out all the important features.

2. Write your 'My Experience'

Now you've tried it out – what do you think? Let us know through the 'My Experience' tab. Make sure to check out our review tips and add your photos or a video.

Discovered something new? No problem – remember you can always update your 'My Experience'.

3. Post your 'Online Reviews'

Time for the most important step! Share your opinion as online reviews on various websites. As an Insider, your goal is to help others by sharing useful information. Remember to stay open, honest, and complete in your reviews.

- Go to 'Online Reviews' on the campaign page
- Click on the logos of the websites and share your review on them
- Paste the link towards your reviews onto the right logo when your review is published online

Have fun!

tip! try to slightly rephrase your review on each website so that every review is unique.
